# Community Minded Quote Cards

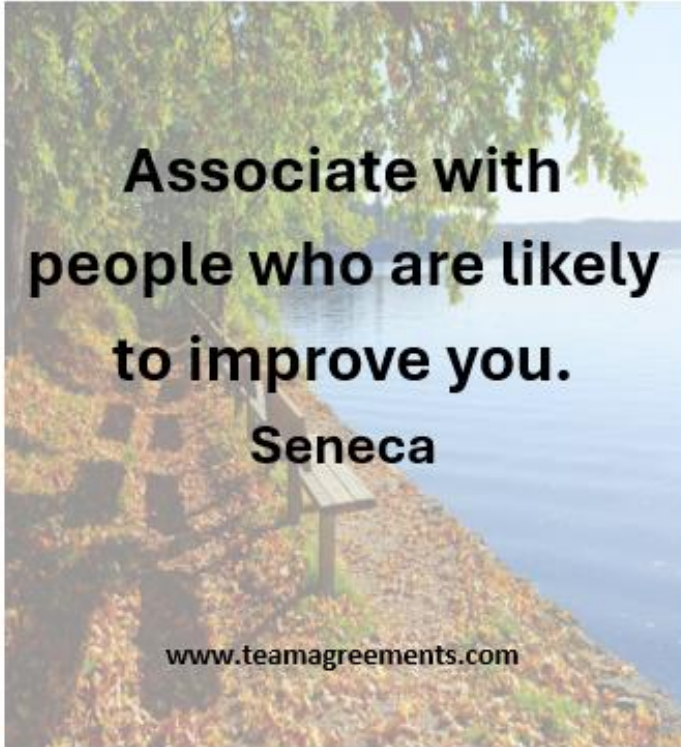

## Directions:

1. Print page 3 onto card stock in full color and cut cards apart. Laminate for long-term use.
2. Choose a card/quote that “resonates” with you and discuss why you choose it and how it “shows up” in your personal and professional life.
3. Use the following to start a conversation: the people we spend the most time with can influence and impact our thoughts, values, beliefs, actions, etc., up to 20%? And what's even more interesting is that it doesn't stop there. It goes beyond to the people those people spend the most time with, which can influence us by another 10%.
4. Sample questions relating to all cards can include:
  - Who’s sitting at your table?
  - Who inspires you with fresh ideas? Who motivates you to make a difference? Who validates your work?
  - Who encourages you? Who listens while you vent? Who gets you back on track when needed? Who can you be yourself with?
  - Who challenges you to become a better you? Who helps you work out what you'd like to do and how you'd like to get there?
  - Who at a senior level supports you? Who is influential? Who offers guidance or advice? Who suggests resources to help you develop?
  - Who can introduce you to others in your profession or industry? Who can broaden your network?
  - Who encourages your health and well-being? Who makes sure you are taking care of yourself?
  - Who will challenge your ideas? Who questions your thinking?
